### IP Address Authentication

If we add your school's IP address to your account, students who access your AV<sup>2</sup> World Languages Library from the school building will automatically be logged in and will not have to enter a username and password. This is a great option for schools that have eBook links available online, but not on a password-protected site (NOTE: IP authentication does not work remotely from home.)

External IP address of your network: \_\_\_\_\_  
 (type "What is my IP" into a Google search to find your address)

Vibrant, colorful images geared for visual learners

Clear, easy-to-read text

**Expect our best** AV² World Languages features only the highest-quality books from Weigl's AV² collection. Each title in this revolutionary platform features clean, easy-to-read layouts and captivating full-screen images designed for maximum readability and eye-catching appeal.

**Language Toggle Bar** Easily switch between languages with a simple click. Watch as the current page is translated into another language before your eyes.

**Easy-to-use interface**

The AV² World Languages interface is clear of clutter, works well on all devices, and is responsive to all screen sizes. The control center located at the bottom of the screen ensures that the book's pages are the main focus for early readers.

**Amazingly easy to use!**  
Focuses on the early reader and the learning of other translations.

**Works with all platforms**

Along with the ability to view this platform on a standard desktop, AV² World Languages works on all tablets and SMART Boards.

**PRÓXIMO** Large buttons make it easy to navigate through each title. These buttons change to reflect whichever language is currently selected.

**Six for One** Each title includes access to six eBooks in six different languages. Essentially, that's six titles for the price of one!
